Office Memorandum • UNITED STATES GOVERNMENT

TO : Assistant Director for Operations
FROM : Chief, Foreign Documents Division
SUBJECT: FDD Monthly Progress Report - July 1951

DATE: 7 August 1951

25X1C

2. Permission has been requested to start a new, unclassified publication, Reference Aids, which would make available to both IAC and non-IAC users FDD-compiled reference materials of a type not normally available in regular reference sources.

3. A special, experimental project on the psychological value world news headlines was completed at the request of State Department.

4. Chief, FDD, called a meeting of IAC representatives to discuss procurement of publications in the event of hostilities. Each agency was asked to prepare a priority list of titles which they would want FDD to exploit centrally, with the aim of formulating a coordinated priority list for the guidance of emergency field collection.

5. Projects of more than routine interest which are in process include a study, undertaken at the instigation of ORR, to determine Germany's problems in its exploitation of Western Europe, and a project, requested by State, to determine the methods and media used by the Communists to indoctrinate Chinese youth.

6. Noteworthy publications disseminated:

a. Summary No. 47: "Agriculture in the Eastern USSR and the Soviet Far North."

25X1A

b. [] Reports that Chervenkov is expected to be purged.

25X2

25X1A

d. [] Gives reports of Bulgarian refugees on uranium mine near Sofia and internal unrest in Bulgaria.
